Re:    Jefferson County Agricultural Preservation and Land Use Draft Plan/  
February 21, 2011 Presentation to Towns, Rooms 8 & 9, UW-Extension, 5:00-7:00 p.m.

Jefferson County is in the process of updating its Agricultural Preservation and Land Use Plan. This plan will update the County's 1999 Plan and respond to the new State farmland preservation program commonly known as the Working Lands Initiative.

The County is hosting an Open House on February 21 to allow the Town Boards to review the draft Plan and provide feedback at this stage in the process. **Town Board members are invited to meet from 5:00 to 7:00 p.m.** for a short presentation by Vandewalle and Associates and the Jefferson County Zoning Department in Rooms 8 & 9, UW-Extension, at 864 Collins Road in Jefferson. Plenty of time will be allowed for your review and comments.

Following the Towns' session, the public and all other local government officials are encouraged to drop in at the Open House any time between 7:00 and 9:00 p.m., with a presentation at 7:15 p.m., again in Rooms 8 & 9, UW-Extension.
